Hunter Arts Network strives to promote **professionalism** and maintain the **high standard** of art works on offer at Art Bazaar, and encourage emerging Artists to take the opportunity to present their talent.

Over the last 9 years **ART BAZAAR** has become a highly anticipated event for both the public and the participating stallholders. It has stimulated the arts community and increased public awareness of the Hunter's diverse artistic culture, successfully displaying the many individuals, groups, organisations and businesses.

The Market also represents an excellent opportunity for practitioners and organisations to develop professional networks which support the development of new work, broader audiences and marketing opportunities - all of which align directly with the objectives of HAN.

This is a tremendous opportunity for participants to market their work to a large audience!

- ❑ Goods sold at **ART BAZAAR** are to be the original work of the Stall-holders and of a **high standard**. The primary focus of the Market is on Arts, Craft and Design work – not imported/re-sale goods – and we look for **originality and innovation**.
- ❑ Based on feedback from visitors to the Market and to maximise the diversity of goods available at the Market we have placed a limit on the number of jewellery and ceramics stalls – again diversity is the key. We would particularly like to encourage painters, illustrators, and sculptors.
